

NEXUS ACADEMY

Doctrina & Humanitas

“Learn how to
connect humans
and make them grow”

“Facilitation is a craft.
Greatness takes more than a toolkit.
It takes practice, mindset,
and the right environment.”

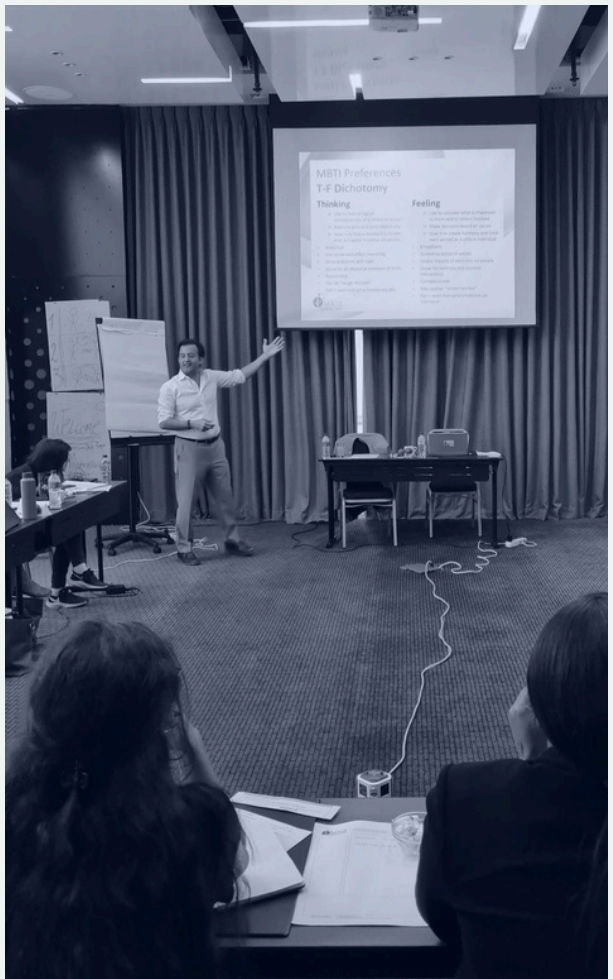

Feeling stuck facilitating, leading meetings, or training others?

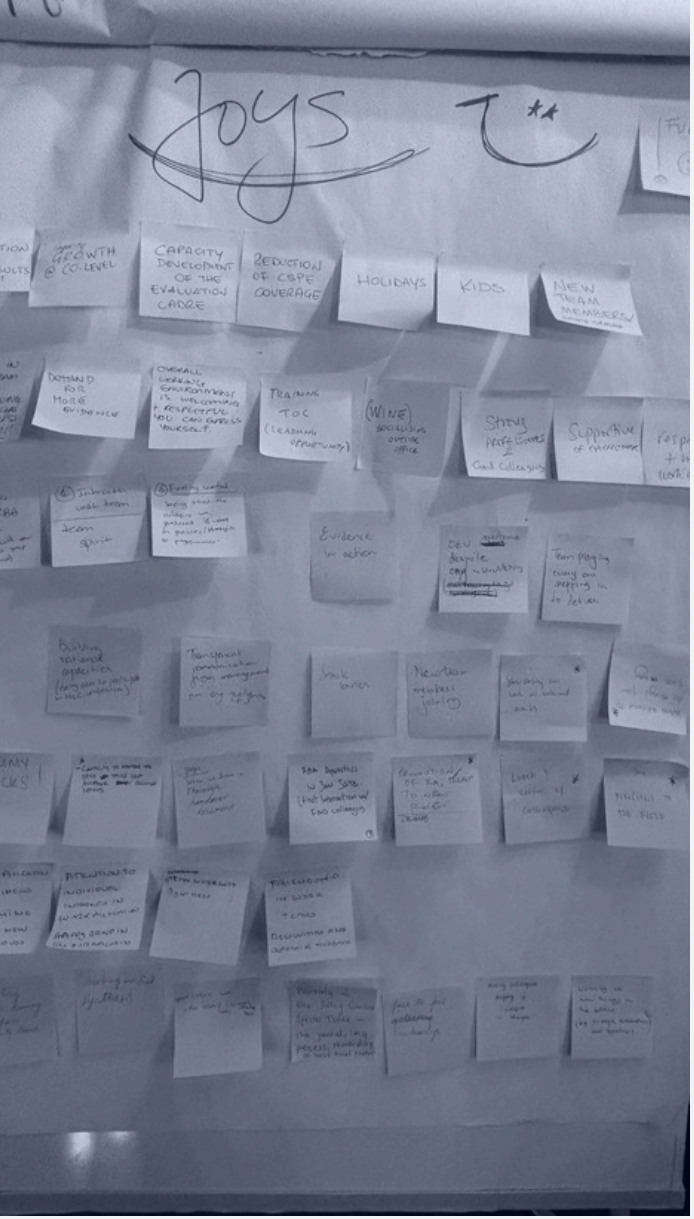

- Are you often stressed or frustrated running meetings?
- Do you want to improve the flow and the impact of your sessions?
- Are you struggling to keep people engaged?
- Do you wish you could guide group discussions with more confidence and clarity?

With the right support, you can become the group leader and facilitator people want to follow

NEXUS ACADEMY
Doctrina & Humanitas

With practical tools, guided practice, and clear strategies, you can learn how to:

- Design and lead impactful meetings
- Facilitate inclusive conversations
- Handle difficult dynamics
- Train others

You do not need to fake confidence.
You do not need to be the loudest voice.
You do not need to copy somebody else.

You just need the right competencies and a bit of support.

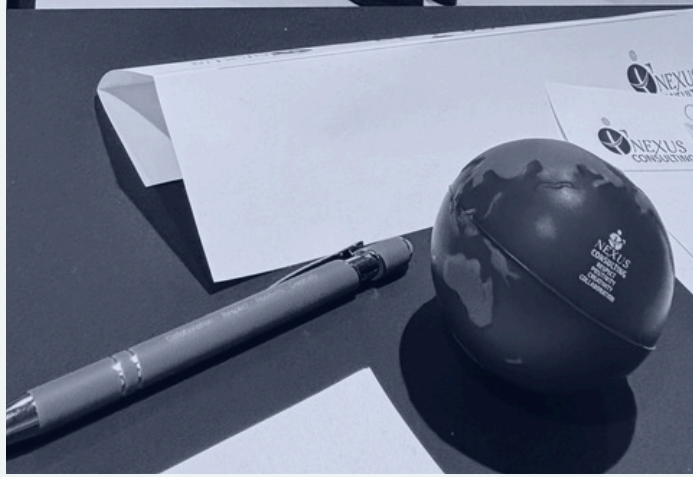

What do you get from this journey?

FACILITATION
Learn to create space for open dialogue, inclusion, and trust in any group setting.

TRAINING
Master the skills to design and deliver workshops that educate, energize, and inspire.

TEAM COACHING
Position yourself as a trusted team coach who helps teams grow, reflect, and align.

The Nexus Touch

We offer more than just a training,
a hands-on support grounded in experience,
empathy and a genuine desire for you to succeed.

Practical

Concrete

Supportive

The 4 Core Modules

Being an Impressive Speaker
Speak with confidence, clarity, and ease.

Managing Group Dynamics
Create flow, guide conversations, manage energy, handle challenges.

Designing Effective Sessions
Plan and deliver experiences people remember and that stick.

Becoming a Master Facilitator
Lead groups to results, with presence, joy, and impact.

Module 1
Being an Impressive Speaker

This program develops essential communication skills including presentation, public speaking, questioning techniques, and online communication, while teaching participants to engage audiences effectively.

Benefits

- Feel confident speaking in front of a group
- Master the art of articulating and presenting ideas
- Connect with ease, and sustained engagement

Module 2
Managing Group Dynamics

This program gives you the tools to connect deeply with others, create a space where people feel safe to open up and engage, and master the art of reading and guiding group dynamics, personalities, and energy with confidence.

Benefits

- Have a greater capacity to build strong connections
- Gain stronger confidence in face of difficult situation
- Know how to bring the best out of people

Module 3
Designing Effective Sessions

This program covers learning theories, adult learning styles, mental preparation techniques, and the trainer's spectrum of roles while developing session design skills and essential trainer qualities.

Benefits

- Create impactful sessions
- Transfer knowledge effectively
- Create a customized session for your audience

Module 4
Becoming a Master Facilitator

This module covers project needs analysis, the 3 O's framework (Objective, Output, Outcomes), discovery of your facilitation style, and interactive methodologies, such as icebreakers and other engaging activities.

Benefits

- Understand expectations and exceed them
- Run effective and smooth sessions that produce results
- Keep your audience engaged throughout the session
